

### Course Description:

PARCOR offers a comprehensive range of Emergency Response Team (ERT) Training Programs. There are three different streams which an organisation can obtain the very best ERT Training and Team Development skills.

### Course Streams:

Certificate II in Public Safety (Firefighting and Emergency Operations)

Certificate III in Public Safety (Firefighting and Emergency Operations)

Units of Competency – a full range of ERT related Training Units (see back page for Units offered)

Note – Certificates II and III require full enrolment into each level.

### Delivery Method:

The delivery method is either On Site training at your Organisation's premises or at one of our Training Centres.

On Site Training can be conducted if access to a range of emergency equipment appropriate to the site's emergency requirements and a suitable training room is available for use.

### Group Size:

To ensure quality training and a safe learning environment, the maximum allowable group size is 12 participants.

### What information will PARCOR require?

Due to training requirements, PARCOR will need to be provided with the following information prior to training commencement;

- Copy of Site's Emergency Management Plan
- Copy of chemical manifest on-site
- Copy of current Emergency Equipment Register
- Copy of a previous ERT training records or qualifications (if applicable)

### What will your organisation receive?

- Statement of Attainment for individual participants
- Training Report for your Health and Safety Office Compliance File
